DEPARTMENT OF PEDIATRIC SURGERY, HOLY FAMILY HOSPITAL

FACULTY OF PEDIATRIC SURGERY

DR. MUDASSAR FIAZ GONDAL

MBBS, MS

Associate Professor of Pediatric surgery
Head of the Department
Pediatric surgery

DR. UMER FRAZ

MBBS, FCPS

Assistant Professor of Pediatric surgery
Department Of Pediatric Surgery

DR ALI CHAUDHARY

M.B.B.S, MS(Pediatric Surgery)

Senior Registrar

Department of Pediatric Surgery

RESEARCH MODEL OF THE DEPARTMENT

Disease Research projects

The idea of disease Project is based on patient care approach and its the holistic review ,which will encompass its prevalence, mode of presentation along with other demographic details, epidemiological review, interpretation of data , devise local guidelines based on audit, community awareness, innovation and grants for research .

Fellowship/University Research Thesis

These are the projects which are required for completion of residency program/CPSP residents will write articles for completion of their college requirement

Research literature- based Academics

It consists of approaching the academic topics and comparing the standard practices with recent advancements

Clinical Audit/Quality Improvement Projects

Quality improvement projects focusing on improved patient care according to our own setup.

DISEASE RESEARCH PROJECTS UPDATED 15th -Sep 2022

Following Post graduate trainees have been allotted the below topics since 2019:

Sr	Trainee Name	Project Title
<u>1</u>	Dr Osama Iftikhar	Blunt Trauma Abdomen
<u>2</u>	Dr Laraib Rasul	Defecation Problem In Children
<u>3</u>	Dr Ameena Shahwar	Anorectal Malformation
<u>4</u>	Dr Jawad Jahangir	Testicular Care
<u>5</u>	Dr Faizaan Shahid	Electrical Burn In Children
<u>6</u>	Dr Salman	Germs Cell Tumor In Children
<u>7</u>	Dr Noor Ul Sabah Butt	Surgical Clinical Audit
<u>8</u>	Dr Mehak Fatima/Dr Hasnain Aslam	A Neonate as surgical patient Care
<u>9</u>	Dr Awais Chaudhary	Penile Health Care
<u>10</u>	Dr Waqas Sahi	Kidney care in children

COLORECTAL GROUP

This group focuses on all the surgical colorectal problems either congenital or acquired in pediatric age group.

Defecation Problems In Children (worth mentioning is the **Bowel Management Program**)

Anorectal Malformation Congenital Birth Defect

Accident & Emergency Group

- Blunt Trauma Abdomen In Children
- Electric Burn Catastrophe

UROGENITAL GROUP

Testicular Health
Children Penile Health
Kidney Care In Children

CLINICAL AUDIT AND QUALITY IMPROVEMENT PROJECTS

Systematic and critical analysis of the quality of clinical care

This includes the procedures used for diagnosis and treatment, the associated use of resources and the effect of care on the outcome and quality of life for the patient.

- Temporal trend in emergency operation theatre on pediatric surgical emergency floor
- Epidemiological comparison of anorectal malformation with other GI abnormalities

Flagship Health Care Project

SYMPOSIA

21st December (little day for little ones)

"NEONATAL AS A SURGICAL PATIENT"

RESEARCH ACTIVITIES

ANNUAL WOFAPS CONFERENCE OCTOBER 2022

Workshop on GLOBAL PEDIATRIC SURGICAL CARE 17 may 2022-23 may 2022

- 7th Annual Pediatric Orthopedic society of Pakistan, Feb 2022
- 6th International Conference, Shalimar Medical and Dental College, Feb 2022
- Pre-Conference CME activity on SPSS, 17 Dec 2021

Masterclass on covid 19, Department of medicine, RMU, 8 Dec 2021

Masterclass on research: A world of opportunities, Department of pediatric surgery, RMU, 7 Dec 2021

Masterclass on Clinical Audit, Department of pediatric surgery, RMU, 6 Dec 2021

30th Annual APSP conference, June 2022

5th International RMU Conference 21-23 Dec 2021

4th Annual Resident Research conference, 23 Dec 2021

Neonate as a Surgical Patient symposium, Dec 21,2021

6th Annual conference of research section of IAPS, Dec 2021

24th Annual Psychiatric Conference, Nov 2021

7 days extensive webinar on Research and its components, July 2021

29th Annual APSP conference, March 2021

3rd Annual Resident Research conference, Rawalpindi Medical University, 16 dec 2020

Research Grant visit to WOFAPS 2019 at DOHA, QATAR

PRESENTATIONS

Poster Presentations:

- 3rd Annual Resident Research conference, Rawalpindi Medical University, 16 dec 2020
- 24th Annual Psychiatric Conference, Nov 2021
- 4th Annual Resident Research conference, 23 Dec 2021
- Annual WOFAPS conference, October 2022

Oral Presentations:

- 7th Annual Pediatric Orthopedic society of Pakistan, Feb 2022
- 6th International Conference, Shalamar Medical and Dental College, Feb 2022
- 30th Annual APSP conference, June 2022
- Annual WOFAPS conference, October 2022
- 29th APSP Annual conference
- 30th APSP Annual conference

PUBLICATIONS

Sr	Title	Journal	Year
1	Case Report: Multiple intussusceptions with congenital anomalous band	RJRMU , Supplement of JRMU	2020
2	Case Report: Intrauterine torsion of finger	RJRMU , Supplement of JRMU	2021
3	Original article: Assessment of communication skills of post graduate residents using HPSS scale	RJRMU , Supplement of JRMU	2021
