

RIFAO ANNUAL  
REPORT

# EDUCATION:

- Updated guidelines provided to students of all five years, we have made sure to cover not only module syllabi but also osce, viva and ward related topics. We have been working diligently to maintain the rifao google drive, keeping useful documents and discarding outdated ones. Book bank maintenance, we have worked to organize the donated books in both ntb and otb libraries, postgraduate books and books of undergraduate level have been segregated for easier issuance to students. The process of collecting donated books and giving out these books has also been maintained smoothly. We have also assisted other departments of RIFAO in the successful implementation of projects like youth club seminar, row, webinars etc. We plan on working on guidelines related to behavioural sciences for third year, since this has not been covered in previous years, we plan on holding a meeting within our own department to guide new members about our workings. We will also distribute google forms in all five years to gather feedback regarding guidelines, to improve the quality of our material. We will continue upholding our responsibilities for the rest of the term IA.

# FINANCE:

- Provided scholarships and got funds from fund raising events.

## SUMMARY:

Tuition fee	No of Students	Amount
	17	$17 \times 23000 = 3,91,000/-$

# HUMAN RESOURCES

- Conducted introductory session of RIFAO for first year, presenting how different departments work.
- Conducted Recruitment drive for RIFAO Team 2023, organized and documented lists of members of each department.
- Registered participants for youth Summit 2023
- Registered participants for FCPS online session
- Organized and documented participants for ROW-3
- Ensured smooth running of the society by acting as a link between different departments.

# SOCIAL MEDIA:

- The RIFAO social media team has been actively posting on Facebook, Instagram, and Twitter over the past 8 months. We have posted more than 30 times, and have gained almost 7,000 followers on Facebook, 1,000 followers on Instagram, and 450 followers on Twitter.

Our social media posts have been designed to keep people engaged with our organization and to raise funds for our welfare work. We have also partnered with ambassadors from other universities to share our work on their social media groups.

Future agenda:

- \* Continue to post regularly and engage with followers on social media.
- \* Partner with more influencers and ambassadors to reach a wider audience.
- \* Create more high-quality visual content to make your posts more engaging.
- \* Track our results and adjust our strategy as needed.

Overall, the RIFAO social media team has made significant progress in the past 8 months. We have increased our follower count, generated engagement, and raised funds for our welfare work. We will continue to work hard to improve our social media presence in the coming months and years.
